

Over the sea the sun set for him.

*With death we lose many things, but never the
valuable and precious time we spent together*

We mourn the loss of our dear husband, father, grandfather and great-grandfather.

Rudolf Zawatzky

* January 1, 1936 † September 25, 2022

Founder of the driving school and Mobilcenter Zawatzky GmbH
Bearer of the Federal Cross of Merit on Ribbon of Germany

His infinite drive and inventive spirit remain in our memory.

We were able to be with him on his last journey and said
goodbye until he threw the lines overboard one last time.

In love and gratitude, we say goodbye.
